YOUR INTERACTIVE SCHOOL / EXPLORER CARD 01

A little paper. A whole new world.

One free card. Every experience. A browser is all you need.

Optional: cut along the dashed line and stick to a flat card.

01 Print.

Print at 100% / actual size, in black and white on matte paper.

02 Point.

Open Project Badi. Launch the camera. Keep all four corners in view.

03 Discover.

Turn the card slowly, tap a part, and follow a little investigation.
